Lengthen your lashes

■ Get flirty with a set of eyelash extensions. 'Eyelash extensions give you instant glamour by adding extra volume and length to your lashes, and really enhance and frame the eye,' says Bridgette Softley, director of Nouveau Lashes. Our tester tried Blink & Go lashes. 'It only takes 20 minutes to have the lashes applied,' she says. 'And they last two weeks so are perfect for the festive season!'

Nouveau Lashes Blink & Go, from £45 (0845 644 3994).
